Hello!

Welcome to **STONE ISLAND RESOURCES LTD.**, a leading mining and quarry company dedicated to providing exceptional services and delivering high-quality resources to meet the ever-growing global demand. With a proven track record of excellence and a commitment to sustainable practices, we are proud to be at the forefront of the industry.

Stone Island Resources Ltd. was founded with a vision to revolutionize the mining and quarry sector by integrating cutting-edge technologies, fostering innovation, and prioritizing environmental stewardship. As CEO, it is my privilege to lead a team of dedicated professionals who share our core values and strive to make a positive impact in everything we do.

Our company's foundation is built upon a strong heritage of expertise and experience. We have assembled a team of industry-leading experts who possess an in-depth understanding of the mining and quarrying industry. Their knowledge and passion drive our commitment to delivering superior results, ensuring operational efficiency, and maintaining the highest safety standards.

At **Stone Island Resources Ltd.**, we recognize the importance of responsible mining practices. We are deeply committed to minimizing our environmental footprint and promoting sustainable development. Through innovative technologies and best practices, we aim to protect and preserve the ecosystems in which we operate, while also creating opportunities for local communities and contributing to their long-term growth and prosperity.

We take great pride in our unwavering dedication to excellence. Our state-of-the-art facilities, advanced machinery, and rigorous quality control processes allow us to consistently provide our clients with the finest resources that meet their specific requirements. Whether it's high-grade minerals, aggregates, or other valuable materials, we strive to exceed expectations and set new industry standards.

Collaboration is at the heart of our approach. We value strong partnerships with our clients, suppliers, and stakeholders, fostering open communication and mutual trust. By working together, we can achieve shared success and drive sustainable growth in the mining and quarry industry.

As we move forward, we remain committed to continuous improvement and innovation. We embrace emerging technologies and industry trends, constantly seeking new ways to optimize our operations and deliver exceptional value to our clients. Our goal is to be a catalyst for positive change in the mining and quarry sector, and we are excited about the opportunities that lie ahead.

Thank you for choosing **Stone Island Resources Ltd.** as your trusted partner. We look forward to serving you and making a lasting impact in the industry.

Andrew Bwalya
Chief Executive Officer
(CEO)

» Company Overview:

Ghislain Ngambwa,
Head-Operations

- Diploma in Teaching
- Certificate in Law

Ghislain Ngambwa has over 23 years' experience in mining activities.

Ghislain had a passion for community programs because he believes its one of the ways to empower the youth in society. Because of that passion, between 1995 and 1998 he enrolled as a teacher at lycee kitambo in the Democratic Republic of Congo.

Between 2001 - 2005, he worked at STL Mining in the Democratic Republic of Congo as a Supervisor and then from 2007 - 2010 at Kipoyi Sec Mining as a Supervisor.

He also worked at Ethro Mining Zambia as a Consultant to add to his array of experiences.

Ghislain has a Diploma in Teaching and a Certificate in Law.

2. State-of-the-Art Technology:

We leverage the latest technological advancements to optimize our mining operations, enhance efficiency, and minimize environmental impact.

Our cutting-edge equipment, advanced data analytics, and automation systems enable us to maintain a competitive edge in the industry.

3. Safety and Sustainability:

Safety is our top priority. We are committed to maintaining the highest standards of occupational health and safety for our employees, contractors, and the communities in which we operate. Furthermore, we integrate sustainable practices throughout our operations to minimize our ecological footprint and contribute positively to the environment.

4. Community Engagement:

We understand the importance of engaging with local communities and fostering mutually beneficial relationships. We actively collaborate with stakeholders to promote economic development, provide employment opportunities, and support community initiatives that enhance education, healthcare, and social well-being.

5. Compliance and Ethics: Stone Island Resources Ltd. operates in strict compliance with all applicable laws, regulations, and industry standards. We uphold the highest ethical standards and promote transparency and accountability in our business practices.

» Projects and Operations:

Stone Island Resources Ltd. operates multiple mining projects across eastern and central Africa. These projects are strategically located in regions rich in precious minerals and natural mineral resources deposits, and we employ advanced techniques to extract and process the minerals in an efficient and sustainable manner. Our operations encompass exploration, extraction, beneficiation, and responsible waste management.

» Corporate Social Responsibility:

Stone Island Resources Ltd. operates multiple mining projects across eastern and central Africa. These projects are strategically located in regions rich in precious minerals and natural mineral resources deposits, and we employ advanced techniques to extract and process the minerals in an efficient and sustainable manner. Our operations encompass exploration, extraction, beneficiation, and responsible waste management.

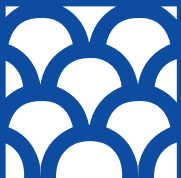

» Conclusion:

Stone Island Resources Ltd. is an industry-leading mining company driven by a strong commitment to excellence, sustainability, and responsible mining practices. With our experienced team, advanced technology, and focus on stakeholder engagement, we are well-positioned for continued growth and success in the global mining sector.
